IT'S NICE TO MEET YOU!

I am a child care center owner who noticed so many ECE leaders struggle with the business of ECE, so I stepped in to help.

I founded the company Child Care Business Professionals that helps child care center leadership learn how to navigate the business of childcare with less stress and less financial strain.

I have represented the world of ECE in 2 TEDx Talks! I love this industry.

- Are your finances ready for someone else to step in?
- Do you have an Organizational Chart and SOP's (Systems of Operation) in place that will protect your business for up to 12 weeks without you?
- What insurance do you have in place to protect you from risks or disasters?
